

CALFED BAY-DELTA PROGRAM

Office Memorandum

Date: July 14, 2000
To: Management Group
From: Steve Ritchie 
Subject: Environmental Water Account Coordinator

Effective Monday, July 17, 2000, Leo Winternitz is assigned to be the CALFED coordinator for the Environmental Water Account. Leo will continue in his position as an assistant to Steve Macaulay, but will take on the responsibility as a special assignment on behalf of CALFED.

For at least the next six months, Leo will be responsible for coordinating the various activities needed to implement the EWA program. Please provide all support necessary to Leo to make this critical part of the Program work.
